

WRITING INSTRUMENTS

WE HAVE A LARGE COLLECTION OF PROMOTIONAL PEN IN WIDE RANGE OF DESIGN, HIGH QUALITY BRANDS AND COLOURS. CATEGORIZED AS PLASTIC, METAL AND ECO FRIENDLY PENS.

MAXEMA ANTIBACTERIAL: DESIGN AND SAFETY

Take care of yourself even when you write: the plastic we use on our Antibacterial collection prevents bacteria from settling on pen surfaces and passing from one hand to the other.

WHY CHOOSE MAXEMA ANTIBACTERIAL PEN?

The plastic used is antibacterial

Certified antimicrobial additive releases silver ions and prevents bacteria from settling on the surfaces of the pen.

Bacteria up to 99,99% less

Laboratory tests have shown that up to 99,99% of the bacteria on the pen are destroyed.

We Care about your health

Some bacteria can cause disease and infections: make your life still safer, even when you write.

FLOW PURE

Size: 13.3 x 1.2 cm
Type: Ball Point
Ink: Black
Printing: Screen Printing, Laser Engraving

Using bamboo is not only overall environmentally friendly, it is also one of the strongest material on the planet. Bamboo has a strong, natural fiber that has shown to be superior to similar materials like wood. Although it is strong and sturdy, it is very flexible and doesn't break easily when flexed.
